As we celebrate our 50th year of service we invite you to become a Friend of Musculoskeletal Australia.

You can help us represent the 6.8 million Australians who live with arthritis, back pain, osteoporosis and other musculoskeletal conditions.

Anyone can become a Friend of MSK – whether you live with a MSK condition, care for someone who does, work in the health sector, or would just like to learn more and make a real difference.

Becoming a Friend is easy. For just **\$20** a year you're on your way to helping us support people for better musculoskeletal health.
